

SIMI VALLEY LANDFILL & RECYCLING CENTER

Landfill Tours

Environmental education is important to the communities we serve. The Simi Valley Landfill and Recycling Center has been operating for over 40 years and promotes many sustainable programs that will encourage you to become better stewards of the environment.

What am I going to see?

- Learn how we are creating green energy from landfill gas for the community.
- Get an up close look at the Organics and Construction & Demolition Recycling Facility.
- Visit the trash area and understand why we need think twice before we throw things away.
- Visit our certified Wildlife Habitat Conservation Programs – Barn Owls & Pollinator Garden.
- Recycling Education – Are you ready to test your knowledge of what can go in a recycling container?

Landfill Tour Information

Tours are available the first two weeks of each month on **Tuesday, Thursday, or Friday between 9:00 am to 3:30 pm** (last tour starts at 3:30 pm). Tours are approximately one (1) hour. To begin your educational tour, WM provides a 25-passenger bus for small and large groups.

Please Remember!

Arrive 15 minutes early to avoid delays, **wear closed toe shoes** and drinks/snacks are permitted on the bus.

SIMI VALLEY LANDFILL & RECYCLING CENTER

Landfill Tour Application

Please complete the requested information below and email to Lhemeway1@wm.com or fax (805) 579-7482. We will contact you to schedule your group.

Due to the popularity of the tours, please contact us at least two months in advance for a reservation. Cancellation of tours may occur due to weather conditions.
